|---|---|
| **11:30 AM ET** | **REGISTRATION OPENS** *Boxed Lunch provided* |
| **12:00 PM ET** | **SESSION BEGINS** |
| 12:00 PM | **Welcome** Kendra Wiegand, MA, MBA, Cincinnati Children's Hospital Medical Center <br>• Welcome and overview of the Learning Session |
| 12:10 PM | **The BIG Picture** David Hooper, MD, Cincinnati Children's Hospital Medical Center <br>• Discuss how IROC aligns within the broader vision and structure of Learning Health Systems |
| 12:40 PM | **State of IROC** RaeAnne Davis, MSPH, Improving Renal Outcomes Collaborative <br>Scarlett Minnie, MHA-MBA, Cincinnati Children's Hospital Medical Center <br>• Review IROC's accomplishments <br>• Preview the focus and goals of the upcoming action period |
| **1:00 PM** | **BREAK** |
| 1:10 PM | **Storyboard Session** Moderators: Drew Warmin, Kendra Wiegand <br>• Showcase improvement efforts from the Reliable Measurement, Blood Pressure, and Reducing Rejection Learning Labs |
| 2:10 PM | **Pathway to Mastery: Sharing Best Practices Panel** Caitlin Peterson, DO, Primary Children's Medical Center <br>• Discuss successful strategies and interventions to achieve outcomes |
| 2:55 PM | **IROC Registry: New Capabilities** Jason Misurac, MD, University of Iowa Stead Family Children's Hospital <br>Dan Jeffers, HIVE Networks, Inc <br>• Review new registry capabilities and features |
| **3:25 PM** | **BREAK** |

| | **CONCURRENT BREAKOUT SESSIONS** |
|---|---|
| | **Electronic Data Transfer: Uploading Visit Data from EPIC**<br>Catharine Whitacre, Cincinnati Children's Hospital Medical Center<br>Dan Muench, HIVE Networks, Inc.<br>• Review how new registry capabilities and features will impact data entry processes<br>• Explore processes for data extraction and data upload |
| 3:40 PM | **Leveraging your EMR: Exploring a Process to Extract Data from CERNER**<br>Melissa Meyers, MD, Children's National Hospital<br>Melanie Miner, Cincinnati Children's Hospital Medical Center<br>Dan Jeffers, Hive Networks, Inc.<br>• Review how new registry capabilities and features will impact data entry processes<br>• Explore processes for data extraction and data upload |
| | **Workshop: Developing IROC's Value Proposition**<br>Joseph Flynn, MD, Seattle Children's Hospital<br>David Hooper, MD, Cincinnati Children's Hospital Medical Center<br>*Recommended for site PI's and leaders*<br>• Discuss techniques for communicating the value of IROC and the success of your improvement efforts with institutional leadership<br>• Develop customizable tools for IROC members to effectively communicate performance |
| | **Behavior Based Training**<br>Kristin Loiselle Rich, PhD, Cincinnati Children's Hospital Medical Center<br>Charles 'Chuck' Varnell Jr., MD, Cincinnati Children's Hospital Medical Center<br>*Invitation only*<br>• Review Behavior Based Training techniques |
| **4:40 PM** | **TRANSITION** |
| 4:50 PM | **Building our Community: Meet & Greet**<br>• Connect with IROC team members |
| 5:10 PM | **Reflections of the Day: Collaboration, Communication, and Community** |
| **5:30 PM ET** | **GROUP PICTURE & ADJOURN** |
